

THE ONE CHEER & DANCE FINALS CANCELS 2020 END OF SEASON EVENTS

April 7, 2020

The ONE Cheer & Dance Finals has continued to monitor the Coronavirus (COVID-19) and its impact as it relates to our customers, and our industry. As always, the safety of the athletes is our top priority. We understand that this ever-changing situation will continue to impact programs across the nation. Gyms and Programs are feeling stress about their future. Our responsibility is to the health of our industry and more importantly the athletes and families that attend our events. Hosting an event now could potentially cause additional stress on the families in our sport or worse cause physical harm on our athletes. With this in mind, The ONE Cheer & Dance Finals, has decided to cancel the last event in our series, The ONE Finals Orlando.

The ONE Cheer & Dance Finals will continue to work with our customers and support them throughout this crisis. Any payments made towards registration will be fully refunded to programs directly. The ONE Cheer & Dance Finals is looking forward to the 2020-2021 season and will release qualifier events soon. In the meantime, stay safe and stay healthy.
