

The ONE Cheer & Dance Finals is continuing to monitor the Coronavirus (COVID-19) and its impact as it relates to our events, our customers, and our industry. As always, the safety of the athletes is our top priority. The ONE Cheer & Dance Finals will continue to make decisions based on the recommendations from the Center of Disease Control (CDC), state and local health officials.

As we continue to work through this ever-changing situation we will continue to communicate directly to the Gym Owners and Program Directors as progress continues and the situation evolves. We are exploring all possible options to include a venue change to details on our Virtual Finals. Thank you for your patience during this time. We are working together and our goal is to continue to have a season-end solution for programs to close out their season with.
