Are You The ONE?

The ONE Cheer and Dance Finals is THE end of the year final championship for ALL levels of cheer and dance. Premier independent event producers all over the world sponsor their best teams (1st, 2nd, and 3rd place ONLY) to compete at The ONE Cheer and Dance Finals. Teams will compete first at a The ONE Territory Championship (Chicago, Virginia Beach, Orlando, New Orleans – check out the website for dates and more) where winners take home championship **rings!** Teams may choose the territory final that best suits their travel desire/needs.

If they win first place at a territory final, their best scoring video from the territory final will enter the “winner takes all” Virtual Finals where they will compete head to head against the first place team(s) from other territories. The winners in each division will be crowned THE ONE and be awarded the coveted championship jackets.
